Establish Customer ID and PIN
If you are logging in for the first time, you will need to establish a Customer ID and PIN.

1. Go to Fidelity.com/atwork.
2. Click on, New User Registration.
3. Follow the instructions to set up your login information.

Change your contribution percentage online
To change the amount of your payroll contributions into your account online:

1. Log in to your account through Fidelity.com/atwork.
2. From the home page, click the Select Action link next to your plan name and then select Contribution Amount from the drop-down menu. Enter your new contribution percentage.
3. Confirm your new contribution percentage.
4. If your plan does not allow you to change your contribution online, then visit your HR or Benefits Department to complete a new Salary Reduction Agreement.

All contribution amounts must be in whole percentages and changes will become effective with the current or next pay period, or as soon as administratively possible.

Change your investment elections online
To change how your future investment elections are invested online:

1. Log in to your account through Fidelity.com/atwork.
2. From the home page, click on the Select Action link next to your plan name and then select Change Investments from the drop-down menu.
3. Enter the percentage of your payroll contributions that you wish to direct to each investment option you choose—your selections must add up to 100%.
4. View the online prospectus for each fund in which you are investing.
5. Confirm your investment elections.

Any contributions to your account made after the effective date of this change will be directed into the investments you select.

Rebalance your portfolio online

Over time, some asset classes and funds perform better than others, which can result in the mix of stock funds, bond funds, and/or money market funds changing from what you originally intended. If this happens, you may wish to rebalance your account so that your investments reflect the mix most appropriate for you and your goals.

To rebalance your account online:

1. Log in to your account through Fidelity.com/atwork.

2. From the home page, click on the Select Action link next to your plan name, select Change Investments from the drop-down menu and then select Rebalance.

3. Enter the percentage of the balance in each of your current investment options that you wish to direct to each investment option you choose — your selections must add up to 100%.

4. View the online prospectus for each fund in which you are investing.

5. Confirm your elections.
